Alumni Communique – Tracer Study Participation

Dear Esteemed Alumnus,

Gwanda State University (GSU) is conducting a comprehensive **Tracer Study** to assess the career trajectories and socio-economic contributions of our graduates. This important exercise seeks to generate valuable insights into the impact of GSU alumni in various sectors and communities.

The study will gather information on:

- Employment status of graduates, disaggregated by gender.
- Sectors, industries, organizations, and geographical distribution of employment.
- Graduates who have established their own businesses, including the nature and sectors of these enterprises.
- Success stories and notable contributions of alumni to national and community socio-economic development.
- Any other information that demonstrates the influence and impact of GSU graduates.

Your participation is vital in helping the University strengthen its academic programmes, align training with industry needs, and showcase the achievements of our alumni. We kindly request you to respond to this tracer study by completing the questionnaire that will be shared with you.

Your voice matters. Your story inspires. Your impact builds the future of GSU.

We sincerely appreciate your cooperation and look forward to your valuable input.

Warm regards,

Office of Alumni Relations
